The Lebanese Quality Assurance System in Higher Education TLQAA Project Roundtable March 27, 2012

Note: To help us better organize the discussions please fill in the following indicating if you intend to have an intervention and in what domain.

Name:.....

Institution:.....

.....

.....

I would like to take the floor to suggest/comment/discuss/:

- Goals of the Quality Assurance System (Agency, institutional improvement, coverage and scope, respect of diversity, ...)
- National Quality System and Relations among the Stakeholders (Independence, Accountability, Mandatory Process, Incentives, Transparency, Confidentiality, Respect of Diversity, Public Reports, Quality Labels and Accreditation ...)
- Methods and Procedures (Self Study, Selection and Training of Experts, Periodic Review, Follow up, Appeal Process ...)
- Organization of the Agency (Board of Trustees, Financial Aspects, Internal QA, QA networks, International Standards ...)
- Other aspects
